# WELCOME

We would like to welcome tonight's Honorees and Attendees to the District #1 Dinner Dance.

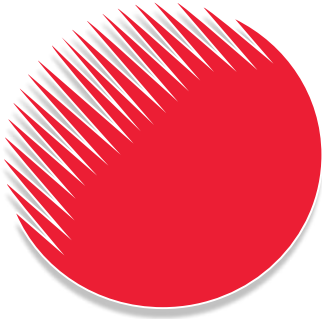

We come together this evening to honor those members who achieved milestones in their careers as Operating Engineers. Those who have, through their many years of skill, hard work and dedication to our craft, enable Local 66 to be a dominant force in the Labor Movement and make it the great organization it is. It is their legacy that we endeavor to build on and continue to make Local 66 a proud organization for the future generations.

We would like to thank the Dinner Dance Committee and all others involved for their hard work in making tonight's event possible. Thank you to the companies who employ our members and support Local 66.

Fraternally yours,

Thomas C. Melisko, Jr.
