WELCOME

We would like to welcome tonight's Honorees and Attendees to the 2026 District #2 Dinner Dance. We would also like to thank the Social Committee for all of their effort and hard work in making tonight's event possible.

We are here this evening to recognize the Operating Engineers who have, through their many years of skill and dedication to our craft, enabled Local #66 to be a dominant force in the Labor Movement. It is their legacy that we endeavor to build on and continue to make Local #66 the proud organization for the future generations.

We hope that everyone has a wonderful evening.

Fraternally yours,

Jesse DiRenna
