We come together this evening to honor those Members who have achieved milestones in their careers as Operating Engineers. It is important that we take the time to remember their contribution to this Local Union and to recognize that it is the skill, hard work, and dedication of all of the Members that make Local 66 the organization that it is. On behalf of the Members of Local 66, I wish to extend our thanks and congratulations to tonight's honorees and also to those unable to be with us.

I would like to thank the Dinner Dance Committee and all others involved for their many hours of hard work preparing this event. Also, our sincere gratitude to those who employ our Members and those who support Local 66.

Fraternally,
